„Best lawyers“ for Dispute Resolution and Construction Law in Germany  
*Handelsblatt* 2017, 2018

„Outstanding“, „Well known Litigator“  
*Chambers Europe* 2012 / *Who's Who Legal* 2014

Wendelin Acker is senior partner and co-founder of the law firm of AGS Legal. He was admitted to the bar in 1983. Since 1990 he has been partner of the major international law firm of Hogan Lovells and its predecessor law firms. He is a recognized expert and senior lawyer in the areas of litigation and dispute resolution, where he is

known and recommended for his outstanding strategical advice and his “feeling for the case”. Wendelin has strong experience in a variety of industry sectors including automotive, engineering & construction, real estate, transportation and insurance.

## Projects (selection):

- Major accident, collapse of a building linked to an underground train project: Advising and representing the insurance company on behalf of a project member towards authorities and in litigation
- International train manufacturer: Defense against claims (in the three-figure millions) of a joint venture partner due to alleged development errors in the manufacture of commuter trains
- Various warranty disputes on both sides, representing the claimant as well as the defendant, including the coordination with the involved insurance companies
- Leading German Construction Company: Conducting internal investigation triggered by fake invoices. Representing the client in civil law and criminal proceedings against business partners (both principals as well as subcontractors), former management and employers
- Arbitrator and presiding arbitrator of numerous ICC, DIS and SGO Bau arbitration proceedings
